To

C. S. Balasundaram Iyer, Esq., B.A.,
Chief Secretary to the Government of
His Highness the Maharaja of Mysore,
Bangalore.

Sir,

I have the honor to state that during the past three years while the services of Mr. M. Rama Rao, B.A., B.L., had been lent to the Civic & Social Progress Association as full-time Secretary, all correspondence of the Association was being conducted "On Mysore Government Service", the Association being generally regarded as a part of Government machinery. But ever since his reversion to his permanent appointment in the Police Department in July last, covers containing the Journal and correspondence of the Association are being sent postage paid which is causing a heavy drain on the slender resources of the Association that have already been crippled by the withdrawal of the annual and monthly grants that used to be provided by Government in previous years.

The Association is, as Government are aware, doing a philanthrophic and humanitarian work in the best interests of the welfare of the people of the State. As Government have fully recognised that Civic & Social progress is one of the activities constituting the Organisation and Development work of the State, the Association stands on the same relation to Government as the Economic Development Board in which the material and moral improvement of the people takes a predominant place. The correspondence of the Association is accordingly one conducted on public service, and I therefore request you to kindly move Government to permit the Association to send its communications superscribed "On Service Unpaid" as is being done by the Hindu Depressed Classes Mission of Mysore, the covers being duly franked by the Secretary or any recognised authority of the Association.

This concession will go a long way not only towards the husbanding of the resources of the Association but to secure to the Association the continuance of the prestige which in these days is essential in order to

CIVIC AND SOCIAL PROGRESS ASSOCIATION.
